

Mission

To **elevate, educate and promote** women in the RV Industry

Vision

To make the RV Industry a place where women **thrive**

2024 Partnership Opportunities

Partnership is ideal for companies that want to

Gain visibility in the RV industry while supporting a great mission with visual promotions as a partner at industry events and on our website.

Create working environments and teams that foster the growth and diversity of women within their companies.

Support a place for their employees to learn new skills, develop as leaders, and connect with other industry professionals.

Partnerships with RVWA reflect overall support of the organization and it's mission to **elevate, educate and promote** women in the RV Industry.
